

Property owners and Rental property managers:

It's that time of year when all our lawns are growing at a rapid rate of speed. The City of Menomonie does, as you are all aware, have an Ordinance governing lawn height; Title 5 Chapter I Section 4. F.

*Every owner or occupant of any premises having a lawn shall cut and maintain such lawn at a height not exceeding nine (9") inches on such premises including the boulevard in front of or along any premise.*

*Failure to cut and/or maintain such excessive lawn height could result in the City issuing a citation.*

We understand your tenants may or may not be responsible for the cutting and/or maintaining of their lawns; but we'd appreciate you being pro-active and taking a look at each of your properties to be sure the lawns comply. Property managers please notify your owners of the City's ordinance governing lawn height .

It is the Inspection Department's policy, going forward, to send only one letter to the property managers/owners giving them the 5 days allowed by Ordinance to comply. Non-compliance with the ordinance will result in a citation.
